

DESIGN: GRUPA

3angle collection consists of a sofa, an armchair and a pouf. They will completely change your perspective on sofas starting from the ergonomic shape of the armrests folded in the middle, which imitate the line of the human hand in the sitting position. This crystal form of the 3angle is softened with comfortable padding, making the perfect combination between character form and sitting comfort. 3angle is an excellent choice for your business lounges, and at the same time a haven for informal and relaxed seating.
